

110 Combined Age Wallyball Tournament – MN

Basic Wallyball rules will apply to this event. Intermediate ball handling rules will be followed.

Teams will consist of two, three, or four players. Ages of the players on the court must add up to be 110 or greater. Four person teams are allowed for Recreation and Intermediate levels only. Any team may have substitutes. Sign up as a team or as an individual (we will help find you a team).

Age is determined by calendar year, meaning that the player uses their age at the end of the year 2017. Teams can be mixed, all men, or all women. Teams will be in one pool for round robin play. Each team will play as many different teams as possible in the allotted time for round robin play.

Teams are then placed into divisions according to their record and/or playing ability. Each division has awards. The number of divisions will be determined by the number of teams registered.
