

Dear Steve,

Your LiveOffice Teleconferencing account is now created and will be active and available to use in just 5 minutes. You can host a conference call with this information whenever you need so please save this email for future reference.

Account Information and Directions:

To start a conference call, please perform the following simple steps:

1. Dial-In to your Conference Number 1-712-432-3000
2. Enter your Conference Bridge Number: 971274
3. Enter your Moderator PIN: 8209

To organize your conference call:

Provide your attendees with the date, time, dial-in number and your conference bridge number.

View your phone-based Host Controls:
