

Hi Joe.

First of all let me say that I believe that the USWA, AUWP, and the WWA have some GREAT programs that will benefit wallyball worldwide in the future. You have a great team of individuals with a vast amount of knowledge that will help these programs be successful.

Thank you for your consideration but unfortunately, I will have to decline your offer for the position of president.

This position needs someone who is very committed and focused on the tasks at hand. At this time, I feel that I must concentrate on the projects we have started here in Minnesota.
