This survey is being conducted by WIN! (Wallyball Information Network) to get feedback from both those who participated and for those who chose not to play in our latest sanctioned tournament in White Bear Lake earlier this month. We would like to make our tournaments as affordable and accessible as possible to all levels of players. As more players participate, we will be able to provide more levels of play in each event. Thank you in advanced for your participation in this survey. WIN! Board of Directors (<http://www.wallyball.net>)
